

**PÔLE EUROPÉEN DE LA
CÉRAMIQUE**

02/07/2021

**GROUPE DE TRAVAIL
#EUROPE**

AGENDA

- Introduction of the cluster (10')
- Presentation of the new LIFE program by ENVIROPEA (30') - Yanna Guisolan, General Delegate Enviropea
Objectives: to better understand what is a "close-to-market" project, what the program means by "innovative project", and the themes that will be sought by the Commission for the programming period 2021-2024. Practical notions such as the rate of financing or success will also be discussed. Time for questions and answers (15')
- Testimony of a LIFE project coordinator (15') - Giuliana Bonvicini, Environmental Department Head at Centro Ceramico
- Introduction of attendees: presentation of your European news (planned project deposits, your interest for the new LIFE program, others...) (20')
